

From: Oaklake Trails Naturist Park Rules

- **DRUGS:** Possession, use, or distribution of illegal drugs will not be tolerated.
 - **MEDICAL MARIJUANA:** Medical Marijuana, regardless of its form of legal consumption, may be used by a person possessing an Oklahoma medical marijuana license, in designated smoking areas, the privacy of a home, an RV parked on a leased or rented lot, or a tent. Consumption of edible medical marijuana is permitted anywhere consumption of other foods are allowed. Medical Marijuana which creates emissions, an odor detectable by bystanders, or that may contaminate OLT property shall not be used except in designated locations. All persons on OLT property shall be subject to Oklahoma law and OLT medical marijuana policies.
 - **SMOKING and VAPING:** Smoking and vaping are prohibited except in designated areas. Dispose of tobacco products in the provided receptacles only.
-

Oaklake Trails Naturist Park Medical Marijuana Policy

1. Oaklake Trails reserves the right to prohibit the smoking of any substance in any common area/facility.
2. Oaklake Trails Board of Directors or its designee(s) reserves the right to ask that any person smoking or vaping marijuana on Oaklake Trails property produce their Oklahoma Medical Marijuana Card.
3. In order to protect members, employees, and any other person on the premises from the negative effects of smoke, identified and designated “Legal Smoking Areas” may be made available for smoking tobacco, vaping devices, and legal medical marijuana. Designated smoking areas will be clearly marked, will prohibit the presence of minors, and will indicate that the smoking or vaping of medical marijuana will be for medicinal use only. Those areas include:
 - A. The Smoking Room attached to the Clubhouse
 - B. The “Legal Smoking Area” to the north of the Meadow Pavilion
4. Smoking of any legal substance is permitted on hiking trails. At OLT’s discretion, or if a Creek County and/or Lincoln County Red Flag Fire Warning or an Oklahoma State Red Flag Fire Warning is in effect, smoking may be prohibited in those areas, as an increased fire risk may exist.
5. All Annual or Monthly Lot Lease holders who possess a valid Oklahoma Medical Marijuana Licensee, may grow Medical Marijuana within the limits set by Oklahoma State Statute §63-427.12. Pertinent parameters for Lot Lease holders include, but are not limited to:
 - A. Oklahoma Medical Marijuana License holders and/or Caregivers may grow medical marijuana on OLT property on which the patient license holder has written

permission from the Board of Directors of Oaklake Trails Naturist Park Inc, or its designee.

i. Written permission may be requested at the OLT Park office during normal business hours.

B. All medical marijuana plants grown by a patient or caregiver shall be grown so that the marijuana is not accessible to the public.

C. No marijuana plants shall be visible from any external or internal street/road, which is adjacent to an individual lot or the property as a whole. For purposes of this section, "visible" means viewable by a normal person with 20/20 eyesight without the use of any device to assist in improving viewing distance or vantage point.

6. All persons on the premises are expressly prohibited from operating extraction equipment or utilizing an extraction processes, if the equipment or process utilizes butane, propane, carbon dioxide or any potentially hazardous material in a residential property.

7. If you suspect a person is consuming marijuana illegally on OLT property, you may file a written report with the OLT office staff. No member has the authority to request that a person present their Medical Marijuana License.
